

CURRICULUM VITAE

Personal Information

Name: Mihaela Loredana Gudila

Professional Profile

I am a dedicated medical graduate of the Carol Davila University of Medicine and Pharmacy (2024), with a strong commitment to developing into a compassionate and skilled physician. During my academic training, I have gained solid foundational knowledge in medical sciences and clinical experience through rotations across multiple specialties.

I am skilled in in-patient assessment, diagnostic planning, and multidisciplinary teamwork, with a strong focus on patient-centered care. My motivation in medicine is driven by a desire to improve patient outcomes and continuously engage with advances in medical practice. I am seeking a residency position where I can further develop my clinical skills and contribute meaningfully to healthcare delivery.
